

JoAnne, congrats on your and your guard's championship showing and victory at Wildwood. As I told Mrs. French, for the first time I had a sentimental favorite and it came thru.. Hope our reference to you in lead article doesn't annoy you.

Enclosed is as far as I could go on Saints stats without break in shows, so if you would like to complete and return to me, I will average and make comments in column. Don't worry if you don't have time or the sheets.

Best to you and the corps.
